

OHA ANNUAL MEETING 2023

DIVERSITY, EQUITY & INCLUSION TRACK SCHEDULE

Day	Time	Presentation Name	Description	Presenters
Monday	8-8:30 a.m.	OHA Data: Health Outcomes and Disparities	In 2023, OHA launched a Health Outcomes Dashboard to assist hospitals with identifying gaps in health equity. In this session, attendees will learn how to use the data to identify disparities in hospitalizations and other health outcomes.	Amy Andres, senior vice president, Health Strategy, Ohio Hospital Association Heidi Mannix, senior director, Data Services, Ohio Hospital Association
Monday	8:30-9 a.m.	Re-engineering Your Community Health Investment Strategy to Promote Health Equity	In this session, leaders from University Hospitals Health System in Cleveland will discuss how they re-engineered the way they think about investments in the community, making it a major component of the system's strategic plan.	Cliff A. Megerian, MD, FACS, CEO, University Hospitals Heidi L. Gartland, MHA, FACHE, chief government & community relations officer, University Hospitals
Monday	9:45-10:45 a.m.	Creating a Culture of Inclusivity for Patients and Employees	Understanding some of the barriers and challenges in addressing the various needs of patients and employees.	Rhonda Talford Knight, PhD, chief diversity, equity & inclusion officer, Bricker & Eckler LLP Melissa Waugh-Pannell, BSN, RN, case management & social work / ER staff nurse, The Ohio State University Wexner Medical Center
Monday	2-3 p.m.	Addressing Social Drivers of Health Among Hospital System Employees	This session will demonstrate the prevalence of Social Drivers of Health among health system employees and how to effectively use SDOH screening to develop employee wellbeing programs to address their social needs.	Kevin Chagin, MS, manager, Advanced Analytics & Data Operations, The MetroHealth System Marielee Santiago-Rodriguez, MSW, LSW, MPH, director, Transformative Knowledge & Education, The MetroHealth System Ashwini Sehgal, MD, director, Research & Evaluation for the Institute for H.O.P.E.TM / Nephrologist, The MetroHealth System
Monday	3:15-4:45 p.m.	The E.M.P.A.T.H.Y Experience: Embracing Medical Problems and Tackling Healthcare's Yolk	This interactive session's goal is that participants will be more aware and knowledgeable of both current and historical systemic oppressions that may impact health care. The content displayed will cover systemic oppressions for black identifying people, and the LGBTQ+ community as well as geographic oppressions and microaggressions.	Erika Beck MHA, BSN, RN, NEA-BC, nursing director, OhioHealth Grant Medical Center Sonia Booker MSN, RN, manager, Community Outreach, OhioHealth Jessica Reeves, MSN, RNC, CLC, administrative nurse manager, OhioHealth
