

OHA ANNUAL MEETING 2023

EMERGENCY PREPAREDNESS TRACK SCHEDULE

Day	Time	Presentation Name	Description	Presenters
Monday	2-3 p.m.	Creating Resiliency in Healthcare Leadership: The 2022 Christmas Weekend Storm in Sandusky	On Friday Dec. 23, 2022 a severe winter storm hit much of Ohio including Erie County. Over the next 56 hours Firelands Regional Medical Center experienced negative 40-degree wind chills, a 5-hour power outage, caring for victims of a 46-car interstate accident and over 30,000 gallons of water bursting from pipes in the facility. This session will describe the leadership actions taken over the Christmas weekend and describe key strategies to create and sustain resiliency in health care leadership.	Jeremy Normington-Slay, DPT, MBA, FACHE, president & CEO, Firelands Regional Medical Center
Monday	3:15-4:15 p.m.	Lessons learned from Pediatric Respiratory Surge: Preparing for the Future	The respiratory surge, confluence of RSV, Influenza A and COVID variants overwhelmed children's hospitals and non-children's hospitals cared for children they would normally refer. This surge created opportunities to evaluate pediatric surge. Lessons learned and opportunities to address future pediatric events will be highlighted by ASPR Region V for Kids.	Deanna Dahl Grove, MD, professor of Pediatrics, University Hospitals Rainbow Babies and Children's Hospital Cullen Clark, MD, assistant professor, Clinical Pediatrics & Emergency Medicine, Nationwide Children's Hospital and The Ohio State University College of Medicine Nathan Timm, MD, medical director, Emergency Management, Cincinnati Children's Hospital Medical Center
Tuesday	2-2:30 p.m.	Experience with Virtual Incident Command Center at a Large Pediatric Trauma Center	Cincinnati Children's Hospital Medical Center will share experiences with the use of a virtual incident command center over the last few years. The structure has been utilized for large and small emergency events, allowing for rapid response and communication among key institutional leaders.	Nathan Timm, MD, medical director, emergency management, Cincinnati Children's Hospital Medical Center Amber Antoni, MSN, RN, director, Emergency Management, Cincinnati Children's Hospital Medical Center
Tuesday	2:30-3 p.m.	Shelter in Place: Inclement Weather Action Plan	A large pediatric level 1 trauma center will share experiences with preparation, response and recovery of activating its shelter in place action plan that provided emergency onsite sleeping accommodations for employees in response to severe weather.	Angela Aull MSN, RN CPN, project administrator, Cincinnati Children's Hospital Medical Center Amber Antoni, MSN, RN, director, Emergency Management, Cincinnati Children's Hospital Medical Center
Tuesday	3:15-4:15 p.m.	Weathering the Storm (Emergency Preparedness): The first 72 hours	This session will cover the span of Emergency Preparedness from the 3 days prior to a weather emergency to the 3 days after.	Jeremy D. Miller, M.Ed, paramedic, director, environment of care, SUN Behavioral Health Columbus
