

OHA ANNUAL MEETING 2023

RISK MANAGEMENT TRACK SCHEDULE

Day	Time	Presentation Name	Description	Presenters
Monday	8-9 a.m.	Telemedicine: Increase Your Risk Management Bandwidth in a Changing Healthcare Environment	The COVID-19 pandemic exponentially accelerated the growth, expansion and adoption of telemedicine, including the migration to hybrid models of care and use of remote patient monitoring/wearables. As health care organizations and providers integrate hybrid models of care in to the patient's health care experience, the risk of potential claims increases in parallel. Successful implementation of telemedicine requires careful planning to mitigate risk. Join us to learn more about how to mitigate risk and liability in this evolving and emerging area.	Judy L. Klein, BS, PA, CPHRM, FASHRM, manager, Risk Management, Coverys
Monday	9:45-10:45 a.m.	Building an Effective Enterprise Risk Management Program for Hospital Systems	Attendees will learn about the importance of an ERM Program that advances the strategic goals of a hospital system. We will discuss the continuous nature of ERM, how to launch a risk assessment survey, how to create risk response plans and what information you should report to your board.
