

2022 Advancing Patient Safety Conference Series

Four Webinar Conferences

The Ohio Patient Safety Institute (OPSI) recognizes leading practices among Ohio health care organizations in patient safety with the hope that what has been achieved by one facility can be replicated by another to continue to improve quality of care in Ohio.

Schedule

Each session will be one hour in length beginning at **11:30 a.m.** Eastern Time.

February 10th

Population Health System Medical Director

University Hospitals

October 13th

CLABSI, Getting to Zero and Staying There, Fact or Fiction?

Hila Collins, MS, RN, CPNP-AC, CIC

Director, Clinical Safety; Nurse Practitioner, Sleep Medicine

Dayton Children's Hospital

Objectives

1. Describe the need for novel approaches to patient care to address shifting healthcare needs.
2. Identify at least two (2) interventions which specifically reduce post-operative respiratory failure in the acute care setting.
3. Describe the development, evolution, and successes of the University Hospitals COVID-19 Intercept Strategy, which served as a model for the State of Ohio and created meaningful and lasting collaborative relationships between health systems, public health, governmental agencies, and congregate care settings/facilities.
4. Identify at least two quality improvement tools that could be utilized to impact change in the performance improvement process.

Intended Audience

Individuals involved or responsible for nursing, case management, social work, physicians, patient safety, pharmacy, risk and/or quality management.

Registration

Registration fee is \$50 per session/per line or \$200 for all four sessions/per line. One or more individuals from the same institution may participate for the same fee. The registration fee is charged per phone line occupied.

You can access the online registration form at:

www.ohiohospitals.org by clicking on Member Services, then Education & Events. Choose the month in which your event occurs then click on the title of the event. At the bottom of the page, click on "Add to Cart."

Cancellation

A refund of registration fees will be made to those registrants notifying OHA of cancellation at least three (3) working days prior to program date. A \$40 processing fee will be assessed against each refund. No refunds will be made after this date.

Continuing Education

The Ohio Hospital Association (OLN-0017-P) is approved as a provider of continuing education by the Ohio Board of Nursing through the approver unit at the Ohio League for Nursing (OBN-006-92) and provider unit approval is valid through June 30, 2023.
