Presented by Paymerang and the Ohio Hospital Association

July 13, Aug. 10, Sept. 14

Noon - 1 p.m.

PART 1 – JULY 13

The Past, Present and Future of Payments: The Evolution of Commercial Payments

Many organizations are adopting technology and automating to increase efficiency and save costs. Has your company embraced electronic payments? Are you gaining all the benefits and avoiding the pitfalls of electronic payments? Find out how you can gain all the benefits and truly profit from them.

LEARNING OBJECTIVES

- Participants will learn about past B2B payment trends
- Participants will learn about the current technology and benefits of leveraging electronic payments
- Participants will learn the future of business payments and the role of automation

PART 2 – AUG. 10

Electronic Payments Save Time and Money and Allow AP to Focus on Mission-Critical Tasks

Accounts Payable, AP, is now busier than ever and AP leaders are eager to improve operation efficiency and effectiveness. Paying vendors electronically frees staff from the drudgery of manual check processing, allowing them to focus more of their time on higher-value activities such as data analysis and supplier management. Join our informative webinar to learn how e-payments make AP more efficient. This session will be only 30-40 minutes.

LEARNING OBJECTIVES

- Participants will learn about current AP pain points and headaches
- Participants will learn ways to make AP more efficient
- Participants will understand how AP teams can reallocate time and resources

PART 3 – SEPT. 14

Fraud: Are Your Business Payments Safe?

Did you know your current check processing is posing risks and exposing your AP payments to payment fraud risks? With internal and external threats on the rise, accounting teams have no time to lose in mitigating the risks of payment fraud, safeguarding sensitive banking information and ensuring the integrity of the accounting system. Electronic payment solutions, such as virtual cards and ACH transactions, provide greater protections than paper

checks, mitigating the risk of payment fraud. Learn how your AP team can eliminate check writing and start making secure vendor payments today.

LEARNING OBJECTIVES

- Participants will learn about accounts payable automation for the modern enterprise
- Participants will learn about accounts payable automation made easy
- Participants will learn how full-scale AP automation solutions save time and money
