Webinar

THE FMCSA DRUG & ALCOHOL CLEARINGHOUSE (DACH)

Hosted by: Ohio Hospital Association and the Society for Ohio Occupational Health Professionals

Nov. 18

10 – 11 a.m. (ET)

OVERVIEW

Join OHA and the society for Ohio Occupational Health Professionals as we learn about the Clearinghouse, what information it contains, who is required to use it and violations reported. Participants will also gain a greater understanding of DACH purposes and functions.

WHO SHOULD ATTEND

SOOHP members, human resources, occupational health managers, medical directors, case managers, managed care professionals and CNOs

PRESENTER

Mikael Woodfox, Safety Investigator, (Special Agent), MBA US Department of Transportation, Federal Motor Carrier Safety Administration. Mikael has been the safety investigator with FMCSA since November 2019. Prior to joining FMCSA, Mikael worked as a Child Support Officer for Franklin County from 2015-2019. Mikael obtained her Master's in Business Administration from Franklin University in January 2019. Since joining FMCSA, she has completed Drug and Alcohol Clearinghouse training, participated in outreach with her colleagues, and guided several motor carriers through the DACH process.

LEARNING OBJECTIVE

Describe the clearinghouse, what it contains and how best to use and report the information.
