OHA DIVERSITY IN LEADERSHIP: MENTORSHIP SERIES

Nov. 29, 2021 & Dec. 21

Noon – 1 p.m.

OVERVIEW

The OHA Board of Trustees is focused on increasing diversity in health care leadership throughout the state. This series of networking and professional education sessions is targeted at leaders and emerging leaders from underrepresented groups.

Join panels of successful health care executives who will share their career paths with an emphasis on mentors who have made a difference. Learn from leaders who have been there and have insights to share about mentorship and achieving success in health care careers.

WHO SHOULD ATTEND

OHA recommends these sessions for health care leaders and emerging leaders from underrepresented groups, those who manage or want to develop mentorship programs and anyone who is interested in supporting and empowering diverse leaders.

BENEFITS OF ATTENDING

- Learn about the career journeys of successful health care executives from underrepresented groups.
- Understand the important role of mentors in professional development, especially for leaders from underrepresented groups.
- Interact with other health care leaders and emerging leaders, expanding your professional network.
