

Webinar

OHIO MEDICAID FISCAL INTERMEDIARY AND CENTRALIZED CREDENTIALING UPDATE

Hosted by: Ohio Hospital Association

Oct. 13
10 a.m.- Noon
OHA Members ONLY

OVERVIEW

The Ohio Department of Medicaid is modernizing its systems and processes to better manage the program. Two in-flight efforts include: 1) technology transformation to streamline provider enrollment and claims administration through a modular system which will ultimately replace the Medicaid Information Technology System, MITS, used today; and 2) simplified credentialing process for independent medical providers who wish to enroll in Medicaid's program.

LEARNING OBJECTIVES

- Overview of the newly updated Ohio Department of Medicaid program
- Describe the updated provider enrollment and claims administration process
- Discuss the credentialing process for independent medical providers
