**OHIO SOCIETY OF HEALTHCARE HUMAN  
RESOURCES ADMINISTRATORS**  
Ohio Hospital Association

The Ohio Society of Healthcare Human Resources Administrators is a professional society of hospital personnel executives organized under the auspices of the Ohio Hospital Association (OHA). OSHHRA is an affiliated society of OHA and the American Society for Healthcare Human Resources Administration (ASHHRA) of the American Hospital Association.

### **MISSION**

The mission of OSHHRA is to promote the strategic development of effective human resources management in OHA health care organizations through leadership, education and fellowship.

OSHHRA provides leadership in human resource policy and practice formulation and implementation. It serves as an advisor to OHA, state government, and other local, state and national groups on Ohio health care human resources issues. OSHHRA membership includes, but is not limited to, the chief human resource professionals at OHA member hospitals, and stresses individual professionalism and regional communication. OSHHRA provides for development of members through high-quality regional educational programs, statewide conferences and information sharing. OSHHRA encourages informal networking, member support and enjoyment to complement professional development.

### **MEMBERSHIP ELIGIBILITY**

Individuals eligible for active membership are those active in the field of hospital human resources administration who are employed by an OHA member hospital or health system, an OHA associate member, or an OHA corporate partner. At least 50 percent of an eligible individual's job duties must be related to personnel administration. Emeritus status is open to members upon retirement from active employment with an OHA organizational member institution and from the field represented by the society. Emeritus members may not vote, hold office, or serve on a standing committee.

### **BOARD OF DIRECTORS**

OSHHRA is governed by a board of directors comprising the president, president-elect, secretary, immediate past president, two at-large directors and eight regional directors.

### **PUBLICATIONS**

The quarterly OSHHRA newsletter, special OHA bulletins, OHA Annual Meeting materials, annual OSHHRA membership roster and bylaws.

### **ACTIVITIES AND SERVICES**

Continuing education credits for approved educational programs are available at the OSHHRA Annual Conference and the OHA Annual Meeting.
