**SOCIETY FOR OHIO OCCUPATIONAL HEALTH PROFESSIONALS  
of the Ohio Hospital Association**

**PURPOSE & OBJECTIVES**

The purpose of this society shall be to provide a forum for exchange of information among Ohio occupational health professionals.

The objectives of this society shall be to provide a medium for facilitating partnerships among providers, employers, government, and vendors in an effort to reduce workers' compensation and health care costs.

**MEMBERSHIP ELIGIBILITY**

In order to qualify for SOOHP membership, an individual must be a employed or contractually aligned health care providers of an OHA Member Hospital or an OHA corporate partner, who serve in a hospital-based or free-standing occupational health program providing injury care and a variety of occupational health services to varied customers.

**BENEFITS OF MEMBERSHIP**

- Keep up-to-date on legislative changes affecting workers compensation reform through access to the society's legislative liaison.
- Learn about how other occupational health providers are handling the demand for managed care.
- Learn how other occupational health providers handle operational issues such as measuring customer service, utilizing various software packages, developing clinical pathways and measuring outcomes, re-engineering processes for performance improvement or continuous quality improvement.
- Actively participate in society development and activities on a regional and statewide basis.
