

OHIO CONTINUOUS SERVICE READINESS PROGRAM

A Cost-Effective, Subscription-Based Resources Consulting and Education Service

OHA member hospitals participating in the CSR Program in 2021 saved

\$279,450

in subscription fees with OHA member discount.

GET AND STAY JOINT COMMISSION SURVEY READY

Through the Continuous Service Readiness program, hospitals are provided consultative service in preparation for Joint Commission Survey and ongoing readiness. OHA subcontracts with Joint Commission Resources to provide the Ohio Continuous Service Readiness program.

OHA member hospitals participate in two educational conferences during the year and are assigned an expert consultant to work closely with organizations to understand your needs, provide insights and develop strategies to meet current Joint Commission accreditation standards. The hospital can also dedicate time with their CSR consultant to focus on specialized areas throughout the system such as infection control, medication safety and the environment of care.

PROGRAM FEATURES

- Two 2-day workshops
- On-site technical assistance services visits
- Reasonable offsite consulting time
- Access to CSR website
- CSR Compass newsletter
- 15% discount on JCR products and services, such as publications, manuals, e-products, satellite network, technical assistance services and education

HOSPITAL RESPONSIBILITY

- Appoint a qualified liaison to interact with the CSR consultant
- Prepare for the on-site visits with the CSR consultant by sending an agenda to the consultant at least two weeks in advance of the visit
- Send up to three representatives/attendees at no additional charge by JCR to each of the CSR Education Programs
