In addition to accepting COVID-19 vaccine registrations for those age 65 and over, we are now accepting registrations for individuals born with or who developed early childhood conditions. These are conditions that continue into adulthood and put them at higher risk they get COVID-19. For a list of conditions and further details, visit <https://www.genesishcs.org/vaccine/>

Sounds of Good Health with Genesis Podcast
The COVID-19 vaccine has brought a lot of hope but it's also created many questions. Who better to answer them than our own Dr. Jignesh Modi, a fellowship-trained Infectious Disease Specialist. Listen here <https://www.genesishcs.org/podcast/> or subscribe on your favorite podcasting platform.
