REGISTER FOR A NEW ACCOUNT

- 1. Navigate to: https://apps.ohdap.org
- 2. Click on "Sign up now".
- 3. Enter Email Address.

Note: You can use any email address you would like. You will need access to the email address to retrieve the verification code in the next step.

4. Click Send Verification Code. This will email a code to the email address that you entered. Retrieve the code and enter it in the Verification Code field. A sample email is provided below for reference.

- 5. Enter the code from the email in the Verification Code field.
- 6. Click Verify Code.
- 7. Enter remaining fields (Password, Name, etc.)
- 8. Click Create.

9. Once your account is created, you will be redirected to the Data Analytics Platform Application Portal home page.

 Ohio Hospital Association Data Analytics Platform 	Profile
Application Portal	
Welcome to the Ohio Data Analytics Platform Application Portal!	
Hello, data enthusiasts!	
This portal allows you to access the various applications that you have access to within the Data Analytics Platform.	
Don't see what you need? Reguest access here.	
Happy analyzing! The Ohio Data Analytics Platform Team	

REQUEST APPLICATION ACCESS

If you login to the application portal home page and don't see an application you would like to access, complete the steps below to request access.

- 1. Login to the homepage: <u>https://apps.ohdap.org</u>
- 2. Click on the "Request access here" link in the grey information box.
- 3. Complete the information on the "Access Request" page and click "Submit Request".
- 4. A member of OHA's support team will contact you when your access has been granted.

RESET YOUR PASSWORD

- 1. Navigate to the application portal home page: <u>https://apps.ohdap.org</u>
- 2. Click Forgot Your Password?
- 3. Enter your email address.
- 4. Click Send Verification Code.
